CAMPBELL, SANTA CLARA COUNTY, CALIFORNIA

FRIDAY, MAY 3, 1929

Pertinent Paragraphs

People are beginning to look for a "blues song" in this column, and we have arrived at that point where we dislike to disappoint them, so here goes. Our subject this week is, "Unfair Competition." Not all business men in Campbell have this to contend with, but some do. It is hardly necessary to say that we cannot—or rather may not—name them. Unfair competition has always been the curse of commerce, and in the larger centers the problem is being solved through the organization of merchants' associations. We understand that such an organization has been tried in Campbell, and that it failed because certain business men refused to enter the association. Remember, if you can, who these men were. You recall them? Well, those are the ones who are, as a rule, guilty of unfair competition. And to the uninitiated we will say that unfair competition may mean one of several things. The most offensive is price cutting. Encroachment on another's line is very unethical. Slashing of labor charges is unforgivable. Unfair competition gains the offender nothing but the hearty dislike of the men engaged in legitimate business.

Several reports coming to this office through the week indicate approval of our last week's criticism of the proposed Sainte Claire sorie by local alumni. It may be that former students of Campbell high will after all hold their reunion on home soil. We hope so, and we wish to take this opportunity of offering our co-operation to any group who undertakes the task of staging an alumni party in Campbell.

The chief of the Santa Clara county traffic bureau recently dismissed a motorcycle policeman on charges of "conduct unbecoming an officer." The chief is to be commended for his action, which was brought about through complaints of motorists who had suffered indignities at the hands of the former policeman. Hundreds of people daily are insulted and abused by officers of the law throughout these more or less United States, and it is a fine thing to know that our county officers are not permitted to be numbered among the offending police.

Frequently one hears an expression of wonder at the apparent ease with which gangsters secure machine guns—machine guns being a "commodity" not usually available to the public. It has always been our contention that machine guns and sub-machine guns were purchased from reputable sporting goods houses. And such seems to be the case. The coroner of Chicago, investigating the recent gangland massacre in that city traced

Mothers Guests of Campbell Hi Girls League

The Girls league of Campbell union high school sponsored a mother and daughter banquet last Friday evening, April 26, at 6:30 p. m. at the school. A delicious three course dinner was served, supervised by Miss Lois Lloyd, chairman of the "eats" committee.

The color scheme being blue and gold, the table decorations were attractively carried out with blue lupins and golden poppies. Miss Vesta Anderson was the capable chairman of the decorations committee.

Between courses of the dinner Miss Howes gave the welcoming address to the mothers. Miss Louise Frietas, president of the league, told of the forming of the organization. Mrs. Harry Barnes gave the reply for the mothers. Also Miss Rae, dean of girls, told of her work in school with the girls, and what she is accomplishing. During the dinner everyone entered into the singing of well known songs.

After the dinner a program arranged by Miss Lorraine Ribisi, chairman of the program committee, was enjoyed. It consisted of numbers by the girls' glee club, directed by Mrs. Howes, a short skit presented by the girls, and also a reading by Miss Howes. The remaining part of the evening was spent in getting acquainted with one another.

the weapons used in the slaughter to a gun store and thence to the purchaser. It seems that something might be done to make the purchase of a machine gun a trifle more difficult—something the federal government should control, this sale of machine guns.

Edison, America's own electrical genius, is searching for a successor. The search is nation-wide, and when the lucky youth is selected he will be sent to college by Mr. Edison, and will doubtless receive coaching from the elderly wizard. The preliminary selection will be made by educational officials in every state, who will choose the high school student from their state best fitted to carry on the work of Mr. Edison. These 49 fortunate ones will then be subjected to an examination conducted by Mr. Edison. The lad who comes out high man in the test will be Mr. Edison's choice. It is a wonderful opportunity for some youth.

Residents of Carmel, that coast town of ultra-modernism, bitterly oppose the advance of civilization in the form of gas mains, contending that the gas would not only cause the place to smell badly, but would ruin the complexion of Carmel's luxuriant foliage as well. They are prepared to carry their opposition to the supreme court of the United States if necessary, to defeat the gas company. Rather a narrow view—especially when taken by a people who are generally conceded to be very liberal minded in other

The Aim Is To Restrain The Calf

By Albert T. Reid

HIGH SCHOOL YOUTHS WENT TROUT FISHING ALL DAY WEDNESDAY

Wednesday marked the opening season of trout fishing in California Streams, and students of Campbell high were given a chance to pursue the elusive fishes all day long, if they chose.

The school board voted a holiday because in years past the absentees on the opening day of the fishing season reached startling proportions, and it is rumored that several members of the faculty harbored a yen for a chance at the denizens of the streams.

matters.

Aviation received another boost last week when an aviator shut off his motor at an altitude of 5,000 feet and brought his plane to earth by means of a parachute shot out of the upper wings of the plane by a mechanism of springs. The ship received little or no damage. When the use of these giant "chutes" becomes general on public carrier planes, passenger traffic in the air will rapidly increase. Any mechanical device is apt to stop at the most unexpected moment—and when the motor of an airplane ceases to function the result is often fatal to one or more persons.

The California Federation of Women's Clubs, in session last week, criticized cigarette ads featuring women. If they would do away with these ads—particularly those on signboards, it will be necessary for them to secure the co-operation of the state law makers. A resolution condemning tabloid newspapers was passed. We commend their action. Another resolution called for exits on both sides of public conveyances. We cannot speak too highly of that, for if the opinion of the federation carries any weight with operators of public carriers we will soon be able, in case of

Judges in Queen Contest Noted Authors Artists

San Jose, April 3—World famous artists and writers, all of whom live in this county, will pick the queen of the Santa Clara County Fourth Annual Fiesta de las Rosas when girls representing 12 cities gather here May 4 at the queen candidates ball.

The list of judges includes Kathleen Norris, Ruth Comfort Mitchell, Hugh Wiley, James Swinnerton, Charles Harmon, Theodore Wores, Sybil Hayes, Jo Morra, Charles Cutting, Mrs. J. O. Hayes, Miss Elizabeth Norton and department heads of the art schools of Stanford university and the San Jose state teachers college.

The Fiesta de las Rosas queen candidates are the choice of girls in a dozen county towns. These have been selected to represent their city in the floral parade which will be held on the afternoon of May 18. From among the 12 one girl will be chosen who will be the queen of the fiesta. The other 11 will act as ladies in waiting to the queen.

Campbell's candidate has been announced as Miss Marth Carlson, a senior of the Campbell union high school.

The fiesta opens May 13 with a festival of music in which 3,000 school children will participate. A flower show in which practically all varieties of roses will be entered, a baby parade and a grand fiesta ball in honor of the queen are other events.

emergency, to descend from either side of a bus—a mighty handy feature, particularly if the bus happened to be stalled in the path of an approaching train.

We gather from headlines in the daily press that Holy City is once more occupying the center of the stage.

That's all.

GROWERS ELECT ELEVEN TRUSTEES AT MONDAY MEET

At a meeting of the Campbell and Los Gatos Pomegranate and Apricot Growers association at the grammar school Monday night, 11 directors were elected from both towns, the original number of 19 directors having been cut by amendment to 11. The reapportionment measure allows one director to be elected from each school district in the local and two directors at large.

Two hundred growers were present at the meeting, A. E. Rae acting as temporary chairman and W. Hobson as secretary.

Directors elected are Stanley Smith and George Payne, directors at large, Mr. Payne also being elected delegate to the state central association. Other directors, Lee Hiatt, Cambrian; S. N. Hedegard, Campbell; E. B. Thrift, Hamilton; William Riggs, Los Gatos; Robert Leer, Meridian; A. V. McCarthy, Moreland; William Hobson, San Tomas; N. E. Wretman, Union, and S. M. Fidel, Wrights.

The first meeting of the board will be held Tuesday evening, May 7, at Plant No. 1, Campbell. A permanent chairman and secretary will be selected at this meeting.

NEW SCHEDULE OF MAIL PLANES IN EFFECT SINCE WED.

The new schedule of the transcontinental air mail went into operation Wednesday. Patrons of the air mail are now provided with two mails a day each way, leaving and arriving twice a day at San Francisco.

The time of flights has also been shortened somewhat.

PROGRESSIVE WHIST AT GONZALES HOME

Mr. and Mrs. M. E. Muma and Mr. and Mrs. Ray Gonzales entertained a number of friends at the Gonzales home last Thursday evening.

Progressive whist was played until midnight, when a delightful luncheon was served by the hostesses.

High Orchestra Concert Slated For Tues May 10

The student orchestra of the Campbell union high school will offer to the public Friday evening, May 10, a concert of unquestioned excellence.

A. A. Thielke, director of the orchestras, both in the high and grammar schools, is gradually building up a musical organization that is a great credit to the community. Mr. Thielke was director of one of the naval bands during the World war, is president of the San Jose musician's union, and is a most capable band and orchestra leader.

He has secured the assistance of the San Jose Musical association for the May program. Harry Truax, president of the association, will himself appear in an operatic number, supported by several vocalists of the organization. "In a Persian Garden," with words from the Rubaiyat of Omar Khayyam will be rendered by H. A. Truax, bass, Othiel Barnhill, tenor, Carla Egan, contralto, and Alice Bolie, soprano, accompanied by Winifred McDaniel.

Elmer Sundquist, talented trombonist who has recently been appearing in solo work for the Kiwanis club and other organizations will play. The orchestral pieces include Von Weber's "Der Fruschtz," Beethoven's "First Symphony," "Spring's Awakening" by Bach, and Strauss' "Egyptian March."

The program will not be high brow, according to reports, but will be filled with the harmony of the masters that no one who has an appreciation of real music can fail to enjoy. There will be such a variety and excellence of high class music, well rendered, that even the large auditorium should be taxed to its capacity.

SINGERS TO PERFORM AT GATOS SUNDAY

Night school choral classes of Campbell and Los Gatos, assisted by the choir of the First Presbyterian church of San Jose, are giving a program of great interest to music lovers Sunday afternoon at 4 o'clock in the Los Gatos high school auditorium.

This combined chorus of 75 voices, under the direction of Homer De Witt Pugh, has had a busy season and are offering this special concert as a contribution to Music week.

The following favorite soloists will appear in quartette and solo work: Miss Winifred Estabrook, soprano; Miss Ethel Helen White, contralto; Homer De Witt Pugh, tenor, and Charles A. Pugh, baritone.

CONGREGATIONAL FOLKS TO STAGE PLAY AT CARLOS

The play "Mr. Bob," which has been twice presented to appreciative Campbell audiences, will be given in San Carlos tomorrow night for the benefit of the new Congregational church which is to be erected in that city. The same cast will appear in the roles played in Campbell. Mrs. T. A. Cutting and Helen Stray will be among those who will accompany the young people to the peninsula city.

The play will be preceded by a supper, served to the Campbell players by the ladies aid of San Carlos.

Music Week At Meth. Church

Music week will be observed Wednesday evening, May 8 at the Methodist church. A group of advanced students from the College of the Pacific will present the following program.

Piano—Harriett Farr, "Deux Arabesques No. 1, Debussy; "Romance in F Minor," Tschalkowsky.

Whistling—Margaret Radner accompanied by Harriett Farr, "Chinese Lullaby," "The Rosary," Nevin; "Years at the Spring," Beach.

Reading—Arthur Farey.

Violin—Kenneth Dodson, accompanied by Olive Hanger, "Chante Negre," Kramer; "Waltz in A Major," Brahms - Hochstein; "Meditation from Opera Thais," Massenet.

Vocal—Olive Hanger, accompanied by Harriett Farr, "Pastoral," Veracini; "Do You Know My Garden," Wood; "Piper of Love," Carlew.

This is one of many groups visiting various communities during music week and gives smaller churches and their people an opportunity to enjoy classical music. There will be no admission.

MRS. E. PETERSON ENTERTAINED AT BIRTHDAY PARTY

A large group of friends and relatives were entertained Sunday at dinner by Mrs. Mrs. Esther Peterson who was celebrating her seventy-third birthday anniversary at her home on Winchester road.

Dinner was served on small tables, with centerpieces of colorful spring blooms. Following the dinner cards were played.

Enjoying the day with Mrs. Peterson were Mr. and Mrs. S. N. Hedegard (son-in-law and daughter of the hostess) and family, Mr. and Mrs. A. Buck, Mr. and Mrs. M. Jensen, Mr. and Mrs. Chris Hansen and son, Mr. and Mrs. Hans Hansen, Mr. and Mrs. John Hansen, Mr. and Mrs. John Jenson, Mr. and Mrs. Tom Jacobsen, Mr. and Mrs. Gus Harms, Mr. and Mrs. M. Bunde, Mr. and Mrs. Clarence Lawson, Mr. and Mrs. Chris Hedegard, Mrs. T. Skrydstrup and N. Hedegard.

Young people who assisted the hostess in serving were Irene and Botilda Hansen, Eleanore, Marion and Esther Hedegard, Alvin Bunde and Alfred Skrydstrup.

RUTH MATTESON HAS JOB WITH DUFFY'S PORTLAND PLAYERS

Miss Ruth Matteson of Union avenue, who has been advancing rapidly in the dramatic field, recently attained the position of leading lady with the Duffy players in Portland, Ore.

The play in which Miss Matteson is appearing in the new position is "The Skull." Until recently she had been playing ingenue parts and has just completed an engagement in "Mother's Millions," in which May Robson was the leading lady.

Miss Matteson has many friends in Campbell who are glad to see her versatile talent being developed and recognized.

PUNDITAS GUESTS OF MRS. J. J. PARDEE

The Pundita Circle met Wednesday afternoon with Mrs. J. J. Pardee at her home on Sunny Oaks avenue. A good program, arranged by Mrs. L. J. Carboni and Mrs. Ethel Vaughn was enjoyed.

It was decided at this meet that Mrs. George Burrow, president of the organization, and Mrs. L. J. Carboni will represent the Punditas at the state federation meeting at Santa Cruz in May. Miss Laird and Miss Schulyte will be alternate delegates from the local club.

KIWANIS NOTES

Poetry week was in order at the Tuesday luncheon—an idea promoted by Francis Harvey Cutting, one of California's prominent brush artists. Ben Curry recalled his youthful love lyrics and others created booster bunk and comical jingles. Frank had demanded, in his notice a rhyme or a dime and George Burrow seemed to get the most jingles out of one dime. His dope: "Some time feel fine, moonshine, bells chime, all rhyme. Other time, no rhyme, no crime no fine, no dime."

Royal (Babe) Page, chief trumpeter of our troop, gave two lively trumpet numbers with Dr. Walt Merrill at the piano.

Dr. H. Spencer Lewis of the Rosicrucian order of San Jose gave a very interesting and instructive talk on his recent visit to Mediterranean countries and the Holylands. From the finest of homes, streets and surroundings in Algiers, the Paris of Africa, just a step into the poor section brings one to the other extreme of filth, squalor and disease, according to the doctor. Superstition is centuries old and of the worst—people going so far as to remove one eye from a babe to keep away evil spirits.

Child labor here is at its worst, children seven to 12 years old doing most of the work, weaving the famous rugs. Six cents per day is their wage.

The Holyland is full of museums showing supposedly famous landmarks over which a building has been erected, in order that an admission charge may be made. Here the most devout and reverent worshipper is the Mohamedan.

Paul Williamson, county farm bureau director of Holister will be the speaker next week. His subject, "What is ahead of the California farmer," should be of great interest to all. Harold Morton is chairman. A good program is looked for.

FIELDS' VACATION CUT SHORT DUE TO ILLNESS; INFECTION

Letters received by local friends of the Carl Field family, who left several weeks ago for an extended visit with friends and relatives in Kansas and Oklahoma, indicate the trip may be cut short and a speedy return to Campbell be made.

Mr. Field is suffering from bronchitis and a badly infected foot.

A return at this time will mean the cancellation of the Oklahoma trip.

METHODIST LADIES HAVE BIG CROWD AT SALE, SUPPER

A very successful bazaar and supper were held Friday afternoon and evening by the Ladies Aid of the Methodist church, assisted by the Young Women's Service club. Both affairs were housed in the community hall.

A very attractive candy booth with a large Japanese parasol as the foundation occupied one corner of the hall and dainty and practical hand work was displayed on tables. Plants were displayed on the lawn, but in the evening these were moved indoors with other articles for sale.

The super tables were a work of art with their harmonious decorations and beautiful color schemes. Large bowls or baskets of magnificent tulips, iris, lilacs and other seasonal flowers centered the tables and were placed about the room. One table was gorgeous with red tulips, red candle holders and candles and red nut baskets. Another was equally lovely with pink tulips and other items in keeping; on another lavender and yellow prevailed, and so on, all beautiful.

The supper was as good as the setting was lovely.

A program was given during

ing and immediately after the supper. Richard Saveker, whose deep basso voice is a welcome to any musical program, sang solo numbers that were greatly enjoyed, as were also those of Mrs. R. H. Hyde. The Misses Merild and Emma Mae Powell, former residents of Campbell, who are now staying here while attending teachers' college, sang several lovely duets. Mrs. G. S. Robson and Miss Miriam Blaine acted as accompanists.

Little Geraldine Lloyd, daughter of Mr. and Mrs. William Lloyd, extended a greeting in a few lines of verse, and little Mary Ann Rodeck, daughter of Mr. and Mrs. Ben Rodeck of Gilroy gave two dainty little dances.

Mrs. H. C. Smith read an original story by J. D. Blaine and Mrs. E. R. Kennedy read an essay by the same author, based on some verses by the

late Ernest Barron. The ladies are pleased with the financial returns of their effort which amounted to about \$175.

Mr. and Mrs. Ben Rodeck and little daughter of Gilroy were week-end visitors

with Mr. Rodeck's mother and sister, Mrs. Lena Rodeck and Miss Mary Rodeck.

The Pitt river is the destination of C. B. Miracle, where he expects to catch many fish in the next few days.

GENERAL ELECTRIC
Refrigerator

Can be placed in your home for as little as \$29.50

Call at our office and see this new Wonder Refrigerator in operation

Campbell Lumber Co.
Agent for G. E. Refrigerator Co.

How the electric range improves cooking! Tender, juicy broiled roasts with all flavor sealed in. Steaks broiled without smoking. Cakes fine in texture. Pies with delicious, flaky undercrusts. Such cooking you can do with less effort electrically, because the electric range is fully automatic.

The new porcelain enameled electric ranges are speedy. Biscuits, for example, are put into cold oven. They are done perfectly in about 11 minutes.

4¢
worth of electricity
cooks the dinner
for 4 people

ABOUT 1¢ per person, less than the price of the coffee itself—that's the AVERAGE cost of cooking a family's meal with an electric range. Perhaps you never believed it to be so economical.

But remember, the electric rates were cut about a year ago. And today the price of electricity is below the price of electricity in the year 1914, although the cost of other things rose skyward as you well know.

What is the monthly cost?

A survey among our customers' accounts shows that the AVERAGE sum paid by our customers for cooking electrically, including lighting and small appliances, is but \$5.76 per month! An amazingly low price for modern comfort, cleanliness and perfect baking.

Come in to our office or a dealer's store and see these modern electric ranges that are so reasonable to operate.

THE OPENING GAME. HOOVER'S "WING." USEFUL WORK. AIRCRAFT OUTPUT.

Thousands paid to see the opening game between the Yankees and the Red Sox. Fifty million Americans that know who the Yankees and the Red Sox are, haven't the faintest idea who Pythagoras and Thales were. They are just as happy, and Thales and Pythagoras don't care.

Baseball observed that President Hoover was "wild in his pitch," throwing the ball that started Washington's baseball season.

Technicians said that throwing the medicine ball had "made the President a little strong on the wing." "Wing" is baseball language for "arm."

Intelligent baseball men will say to President Hoover, as the artist of old said to the ruler, annoyed at being excelled by him, "God forbid that you should know as much about this as I know."

There is such a thing as knowing too much about baseball.

President Coolidge becomes a director in the New York Life Company in place of the late Ambassador Herrick.

Such a man as Mr. Coolidge could not remain idle. And he could with difficulty find work more useful than life insurance. It inculcates thrift, provides for widows and children.

The United States, producing 4,600 airplanes in 1928, leads in aircraft output.

France in 1928 built only 1440 airplanes.

Great Britain sells more airplanes abroad than we do.

France, however, has five times as many fighting planes as we have. Her fighting fleet is so big it makes Great Britain very polite.

France is the real airplane country, so matter what others may manufacture. Britain is catching up. We lag behind, but that will change.

A gentleman of the American Defense Society, who would only accept immigrants as much as possible like the Puritans, keeping out others, says "President Hoover doesn't know as much about immigration as some of us."

Mr. Hoover knows a good deal more about immigration than the American Defense Society knows.

Stuyvesant Fish sues officials that stopped his yacht, looking for liquor, of which he had none. It was a new yacht.

Mr. Fish wants to "protect the rights of yachtsmen."

To protect the rights of row boats and other small craft is or ought to be, even more important, in a republic, since there are more of them.

However, republic or no republic, stopping a rich man's yacht seems to create more excitement than breaking into a poor man's house and killing his wife.

CamFire Girls food sale Saturday at Gilson's

She (thoughtfully)—Why do so many women rest their chins on their hands when they are thinking?

He (brutally)—To keep their mouths shut so they won't disturb themselves.

LOCAL HAPPENINGS

May day saw a grand exodus of Campbellites bent on the acquisition of some of the first trout of the season. They returned bearing creels indicating varied degrees of success.

Mr. and Mrs. E. P. Greene are spending a two weeks vacation in Yosemite.

CamFire Girls food sale Saturday at Gilson's

Miss Emma Swope is enjoying her annual vacation from her duties in the J. C. Ainsley Packing company plant, part of which she is spending at her cottage in Capitola.

Irwin Henry came up from Carmel this week to attend Elliott Marrs birthday celebration. He brought his sister, Mrs. Evelyn Henry Wallace and little daughter from Salinas who visited with Miss Mary Fablinger.

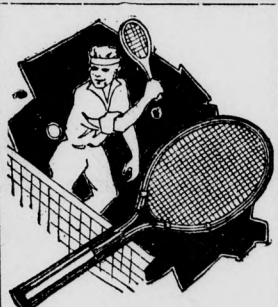

The Campbell postoffice is having the interior put in shape for the busy fruit season. The desks and woodwork are being revarnished by William Walton.

Helen Stray and Mary Maxon have received their approvals for entrance in Pomona college this fall.

CamFire Girls food sale Saturday at Gilson's

Miss Sadie Maxon is staying at the C. F. Rubell home caring for Mr. and Mrs. Rubell, both of whom are ill, the former with a case of long standing and the latter suffering from a severe cold.

Mr. and Mrs. J. C. Ainsley and Mrs. Lena Rodeck and Miss Mary Rodeck have as their guest this week Mrs. Elizabeth Perry, who was a resident of Campbell some 20 years ago, who now lives in Port Dover, Ont.

Deputy Clerk.
BOHNETT, HILL & CAMP-
BELL, Attorneys for
Petitioner. (33-4-5)

**NOTICE TO CONTRACT-
ORS AND BUILDERS**

The Board of Trustees of
the Campbell Union Gram-
mar School District, County
of Santa Clara, State of Cal-
ifornia, will receive sealed
bids up to 8:00 P. M. on the

PROBABLY THE LAST FELLOWSHIP SUPPER

What may prove to be the
last fortnightly fellowship
supper of the season was
held Wednesday evening at
the Congregational church.
The ladies had prepared an
excellent dinner for the
event.

Entertainment after sup-
per was provided by Harold
Morton, who with his port-
able projection machine took
his audience on a tour of
the big trees, including all
steps of the logging indus-
try. He also showed pictures
of local people and events.
Mr. Morton took all the mov-
ies himself with a small mo-
tion picture camera.

SCOUT NOTES

Owing to the kindness of
Mr. Dodds of the Campbell
theater, the boys are to have
Tuesday and Wednesday,
May 7 and 8, for especially
arranged pictures. Harry
Lauder in "Hunting Tower"
will be the special feature.
The boys will be around with
tickets which may be used
either evening.

13th of May, 1929 at the
present school in Campbell
School District, County of
Santa Clara, State of Calif-
ornia, at which time and
place said bids will be open-
ed and read in public for
furnishing all the required
labor and material for the
construction, erection and
completion of a two-room ad-
dition to the School Building
to be located in a Campbell
School District, California, in
accordance with plans and
specifications prepared there-
for by W. H. Weeks, Archi-
tect.

A cashier's or certified
check or bidder's bond issued
by a Surety Company of ac-
credited standing, for an
amount not less than five
per cent (5.00) of the
amount bid shall accompany
each proposal, drawn pay-
able to S. N. Hedegard,
Clerk of the Board of Trus-
tees, as a guarantee that the
bidder will within five (five)
days after the acceptance of
his bid, enter into a contract
with the said Board in ac-
cordance with said bid and
that he will furnish the nec-
essary surety bonds; said
check or bond to be for-
feited to the said Board
should the bidder fail to ex-
ecute contract and furnish
bond as above mentioned.

All bids must be made out
on forms furnished by the
Architect. Plans and speci-
fications for all the above
work may be seen at the of-
fice of the Architect, W. H.
Weeks, 111 Sutter Street,
San Francisco, or 820 Bank
of Italy Building, San Jose,
or at the office of the Board
of Trustees at the School
Building at Campbell School
District, California.

Said Board of Trustees re-
serves the right to reject
any or all bids and to waive
any informality in any bid
received.

By order of the Board of
Trustees of the Campbell
School District, County of
Santa Clara, State of Calif-
ornia.

(Signed)
Campbell School District.
By S. N. Hedegard, Clerk.
(33-4-5)

Loveliest Legs

Miss Barbara Newberry, 19, of Chi-
cago, has been selected by Flo Ziegfeld
as the girl having the most beautiful
legs in America.

Employer—How would you
address the chaplain of the
fleet?

His Typist—Your warship,
I suppose.

COUNTRY WOMAN'S CLUB NOTES

The annual meeting of the
Country Woman's club will
be held Monday, May 6, in
the community hall at 2:30
o'clock p. m. An attendance
of over half the members is
required to make a quorum,
so every member is urgently
requested to attend. Among
other important business is
the election of a board of
directors.

Mr. and Mrs. George Par-
so are week-end visitors at
the home of Mr. and Mrs.
Charles Ludwig in Berkeley.

Miss Kittie Johnson and
Mrs. I. R. Abbott, members
of the P. E. O., attended a
meeting of that organization
at the home of Mrs. Fred
Ryon of San Jose last Fri-
day.

Comfort

Since the automobile has
become a daily necessity of
our business and pleasure,
comfort is an advantage
much sought after. Gen-
eral pioneered the develop-
ment of low-pressure tires
long before balloons were
in the picture. Today car
owners are enjoying the re-
sults of this long experience
by getting the greater com-
fort of General's low pres-
sure without sacrificing any
of General's big mileage.
And with General this ap-
plies to all regular sizes as
well as 4-ply and 6-ply bal-
loons. If you are seeking
real comfort, you will find
it in General's.

Do you need individual
telephone service?

Two-party and four-party lines de-
velop more traffic with each pass-
ing year. Your party line may no
longer suit your needs. The very
slight additional cost of individual
service is more than made up by
the additional promptness you will
enjoy in placing outgoing and re-
ceiving incoming messages.

Why not call our Business Office
now and order "individual serv-
ice"?
